Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Consecutive Questions: On the Gospel of Luke These questions have been prepared expressly to meet the present wants of Sunday schools. The particular object of the consecutive questions is to make the scholar familiar with the Gospels, preparatory to more involved and critical study on the basis of chronology. Notwithstanding their elementary character, no Scripture difficulty has been intentionally passed over; but where the answer might not be readily obtained, the appropriate one has been given in the question book. Occasionally, to inspire the zeal of the pupil, and the interest of the teacher, an answer has been withheld, which it may require thought and inquiry to obtain. As it is important that the scholar should commit the answers to the questions before the hour of recitation, but few Scripture references are given, and when given there is rarely more than one, and that one as direct as possible.
