But this herb has also been a valuable an integral part of ancient alternative medicine. More than 4000 years ago, one of the greatest of ancient doctors Charaka wrote in his compendium that the juice from the leaves of the sacred basil mixed with honey taken three times a day could cure patients suffering from whooping cough and chest ailments. That was the time when people relied on natural cures, and their own innate good health to keep healthy and live long. I am proud to present this book to you, about one of the most useful herbs available to mankind today, of which the significant benefits have been written in ancient books of the East. Oscimum sanctum is the scientific name given to the sacred basil. What is the difference between cooking basil...
