Skyhorse Publishing, United States, 2015. Paperback. Book Condition: New. 203 x 203 mm. Language: English . Brand New Book. Wild Eats and Adorable Treats is full of simple, healthy recipes that kids will enjoy because all the meals resemble kids favorite animals. The dishes run the gamut, from breakfast delights to lunches and snacks to take to school, and of course dinner and desserts to make at home. The best part is that children will have a blast preparing and eating the dishes, shaped like different animals, such as owls, pigs, sheep, and many more. Author Jill Mills, who has three sons of her own, incorporates fun facts about the animals throughout so kids can impress their friends with their new knowledge--in the kitchen and beyond! Lavishly illustrated throughout, this cookbook includes recipes like Porcupine Pretzel Pear Snack, Foxy Fruit Snack, Koala Tree Treats, Gorilla Granola Cups, and more. This is an essential book for any parent struggling to get their kids to eat balanced meals! Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
