Another encouraging book from the Kellys on the important subject of prayer How can we learn to pray in the way Jesus did? By walking, working and watching with him. The education that is being offered is apprenticeship Jesus is inviting his followers into a contract of lifelong learning, to keep pace with him and find out what it is to connect with our Creator. Prayer is essential for every Christian it can also become as natural as breathing, and this book will challenge and encourage all Christians, regardless of where they are on their spiritual journey. With added exercises and poems and written in the Kelly s usual lyrical style, this is an excellent book.
